

REMARKS

The Examiner's reason that Group 1 and 2 are distinct is incorrect. Claim 1, for example, of Group 1 includes the processes of lithography, chemical vapor deposition, etching, etc. The word "forming" as used in at least claim 1 is broad enough to cover these terms. Therefore, the Examiner's example of why Group 1 and 2 are distinct is incorrect.

If Applicant has overlooked any additional fees, or if any overpayment has been made, the Commissioner is hereby authorized to credit or debit Deposit Account 503079, Freescale Semiconductor, Inc.
